ISPE SAN DIEGO CHAPTER 2024 Annual Sponsorship Package

Save Time and Money!

ISPE San Diego Chapter Annual Sponsorships help our vendor companies determine budgets, reduce time spent on reimbursement forms and is a great way to market your company.

High Quality Company Logo Is Needed

Please upload your high-resolution company logo(s). We suggest uploading various formats and sizes of your logo to ensure the best results. Include your company and "2024" in the filename.

The ISPE website accepts these file types: png, gif, jpg, and jpeg

Link to upload your logos: <https://login.filesanywhere.com/Dropbox/db.aspx?v=8a716b8c6161adadb0a5>

"Success! _file(s) were uploaded" will be shown to confirm your upload. We will also be notified of your upload.

Note: Typically we can work with any file provided. If needed we will export your logo to one of the acceptable formats. If you are unsure of your logo quality, place the logo in Word doc, enlarge it to fill the page and do a test print. If it looks good on your end, it should work well on ours. We will contact you if there are any problems with the image(s) you provide.

Event Registration Required

Although the Annual Sponsor package includes participation in events, registration is required for all attendance and sponsorships. Please register online as you would for any event using the Annual Sponsor registration options.

Annual Pass Details

Attendance is not limited to any particular individual(s) on your staff. Your employees can take advantage of these tickets as your company desires. Most events are included in this package, however, there are some excluded events. See below for details:

Included:

Evening, 1/2 day and full day technical meetings, Women In Pharma (WIP), networking and happy hour events are included.

Excluded:

Ticketed and sporting events such as hockey, fishing, baseball, soccer, corn hole tournaments, etc. are excluded.

Golf Tournaments

Golf participation is included in Platinum and Gold, but not in Silver or Bronze packages. To avoid problems and no-shows at tournaments, your pairings and dedicated hole plans are required four weeks in advance. If Gold Sponsors do not register before the Spring Tournament sells out, we will save your 4some and sponsor hole for the summer tournament.
